THE MONARCH
LANDSCAPERS

GOVERNMENT & COMMERCIAL
LANDSCAPE SERVICES

Expertise. Reliability. Value.
Professional grounds care and landscape services for properties that demand consistent, dependable service.

CONYERS, GEORGIA • GOVERNMENT • COMMERCIAL • PROPERTY CARE

Company Profile

The Monarch Landscapers LLC is a Conyers, Georgia-based landscaping company focused on maintaining attractive, functional, and well-kept outdoor environments. Our approach is built around detailed workmanship, dependable service, and treating every property with the care it deserves.

Our mission is rooted in cultivating properties as if they were our own while contributing to the communities we serve. We bring a hands-on service mindset to routine grounds maintenance, seasonal needs, landscape improvements, and property cleanups.

Company established	Conyers, GA based	Landscape & grounds care

Why Monarch

01	**Detailed Workmanship**	Consistent attention to the appearance and condition of maintained grounds.
02	**Reliable Service**	A service-first approach built around clear communication and dependable property care.
03	**Flexible Scope**	Routine maintenance, seasonal cleanup, landscape materials, drainage, and exterior property services.
04	**Community Focus**	A locally rooted company committed to the properties and communities it serves.

Landscape & Grounds Services

A practical service portfolio for recurring grounds maintenance, seasonal requirements, and property improvements.

Mowing & Grounds Maintenance
Routine mowing and general lawn care to maintain clean, orderly grounds.

Leaf Removal
Seasonal leaf collection and removal to keep maintained areas clear and presentable.

Trimming
Landscape trimming services supporting neat, controlled plant and shrub growth.

Drainage Solutions
Drainage-focused services intended to help protect and preserve landscape areas.

Pine Straw & Mulch
Installation of landscape materials to improve appearance and support landscape beds.

Stone Installation
Stone installation for landscape and hardscape applications.

Property Cleanups
One-time and seasonal cleanups for properties requiring additional attention.

Driveway Pressure Washing
Exterior pressure-washing services for driveway and related hard-surface areas.

Service Approach

For government and commercial opportunities, scope, frequency, site conditions, and performance requirements should be established through the applicable solicitation, statement of work, or service agreement. Monarch can tailor its field services to the specific needs of each property.

Government & Commercial Capability

Positioned to support recurring grounds maintenance and property-care requirements.

Recurring Grounds Maintenance

Routine mowing and landscape care scheduled according to contract requirements and site needs.

Seasonal Operations

Leaf removal, seasonal cleanups, and landscape-bed maintenance to support year-round property presentation.

Landscape Enhancements

Pine straw, mulch, stone, trimming, drainage-related work, and other landscape improvements.

Site Appearance

A detail-oriented approach to keeping public-facing and commercial grounds clean, orderly, and maintained.

Communication & Coordination

Clear communication regarding service needs, site conditions, scheduling, and scope changes.

PROCUREMENT-READY PRESENTATION

Use this brochure alongside your company profile, W-9, insurance documentation, licenses/certifications, references, and solicitation-specific forms when responding to government opportunities.

Our Standard

Every property tells a story. Our job is to make sure the grounds reflect care, consistency, and professionalism.

CARE	CONSISTENCY	RESPONSIVENESS	COMMUNITY
We approach each property with the same attention to detail we would give our own.	Recurring grounds care is built around maintaining a dependable standard over time.	We value communication with property owners, managers, and project stakeholders.	We are rooted in Conyers and committed to contributing positively to the communities we serve.

A Local Partner for Well-Maintained Grounds

From routine mowing and seasonal cleanup to drainage, landscape materials, trimming, stone installation, and pressure washing, The Monarch Landscapers brings a broad grounds-care service offering to each assignment.

Our goal is straightforward: deliver professional landscape services that help properties remain clean, functional, and ready for the people who use them.
